**Budget Revision # 2**

Budget revision # 2 amends our FY10 Budget by transferring \$2,400 from Contingency to General Operations for legal services.

The additional funds will permit SCRCOG’s pension counsel to complete necessary IRS amendments to our Pension and Deferred Compensation Plans. In particular SCRCOG needs to submit Form 5300, a GUST Restatement of our Governmental Money Purchase Pension during Cycle E in February, 2010.

This revision is considered a minor revision (less than 10% of Professional Services line) and needs only Executive Committee approval.
